

## Quantum Snaps 2018 - Terms and conditions

### Eligibility:

- This competition is open to anyone
- Photos must be of research or quantum technology
- Entrants can submit multiple photos
- Submissions that, in the sole discretion of the judges, are considered inappropriate or unsuitable for publication will be deemed ineligible and removed from the competition
- Images from entrants that do not conform to these criteria will be rejected

### Prize:

The winner will receive a GoPro (valued up to AUD\$500)

### Ownership of Photography:

- Entrants agree that their photo will be released under the following Creative Commons license:
- “Attribution-NonCommercial-ShareAlike” CC BY-NC-SA. This license lets others “remix, tweak, and build upon your work non-commercially, as long as they credit you and license their new creations under the identical terms”
- <https://creativecommons.org/share-your-work/licensing-types-examples/licensing-examples/>
- You represent and warrant to the competition organiser that you are the sole and exclusive owner of your submission, or that you have all right and authority to grant the rights in the submission described herein; and you have obtained any and all releases necessary from all persons (or their legal guardians) depicted in the submissions. Images in public spaces do not require release from background people/subjects.
- By entering this competition, if your entry is deemed eligible, you consent to the use of your name, biographical information, winning entry and any statements attributed to you, or photographs of you taken subsequently, being used for promotional purposes without additional compensation to you.
- Entrants agree that shortlisted and winning photography may be used, under the above Creative Commons License, in future printed and digital materials

### Technical Specifications:

- Images must be in JPG digital format at a minimum of 300dpi and between a minimum file size of 5MB and a maximum file size of 25MB
- Images can be downsized for submission but winners will be required to provide a high-resolution version of their entry
- Images that do not conform to these Technical Specifications will be rejected
- The image filename should include your name in it eg. “John\_Smith\_quantum\_photo01.jpg”

### Submission:

- Entry to the competition is free

- Please submit entries by the webform
- The caption must be comprehensible to the lay reader and will be taken into consideration by the judges when making their decision

Dates:

- The competition opens at October 18, 2018.
- The closing date is 17:00 on November 20, 2018.

Judging Criteria and Process:

- The total prize fund will be advised at the time of judging
- Entries will be shortlisted on their visual impact, public appeal and ability to convey research to a non-technical audience
- Entries will be shortlisted alongside the extended caption putting the image into context
